Modoc offers wireless service

*By the Plain Dealer staff*

When you stop by Old Canal Coffee Roasters, make sure you visit Modoc's Market next door.

Besides carrying all varieties of coffee, serving sandwiches and offering unlimited convenience shopping and gift ideas, Modoc's also offers open, wireless access.

Owner Angie Beauchamp invites you to "bring your laptop and stop in." she said Modoc's is now an "open, unsecured site," and a great location for that spur of the moment business luncheon.

There are tables available for small parties to gather, drink fresh coffee and conduct their business.

Modoc Market is open from 7 a.m. to 9 p.m. Monday through Saturday, and from noon to 9 p.m. on Sunday.
